

Containers, sleeves, accessories give fresh look to floral offerings

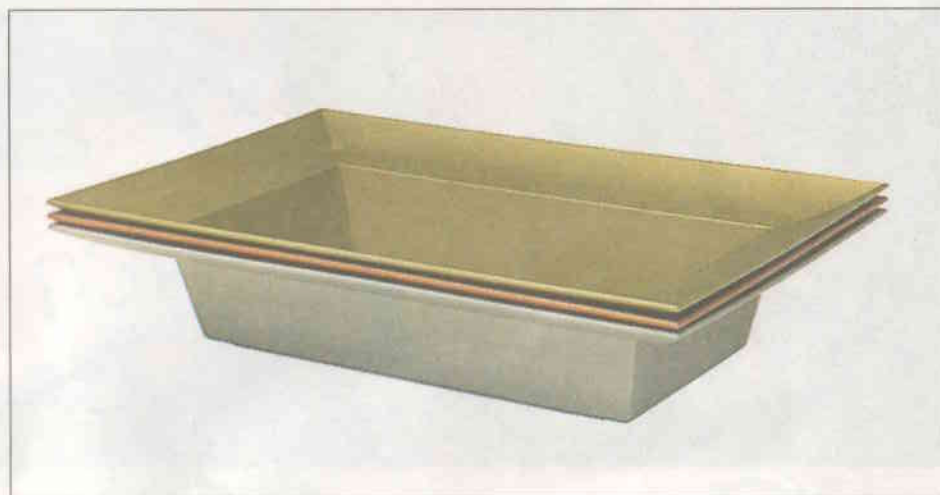

Berwick Offray's Kwik Cover pot covers (far left) capture the spirit of the holidays in a versatile range of "pearlized" and metallic colors. This Berwick Offray product fits 4- to 10-inch pots.

Protecting corsage and floral creations is easy with Berwick Offray's Seevue Bags (left). The bags come in five convenient sizes from 9 to 14 3/4 inches long.

This Oasis Spirit Fresh Assortment of fruit punch, limeade, tangerine and grape hues coordinates with the full line of Smithers Oasis decorative accessories.

The Spirit Metallic Assortment from Smithers Oasis offers gold, silver and copper colors for holidays and special occasions. The rectangular shape holds one brick of floral foam.

Certified by the Organic Materials Review Institute, the DOT Pot (above) is available in a variety of consumer packaging options with different production capabilities, as well as retail marketing.

Organic, biodegradable DOT Pots are in use in this organic herb production facility. The pots are made from breathable wood fibers and peat moss, with zero glue.
