

DEL REY

Houseware Collection

Redefining affordable luxury.

It began in 1972 -- before many of our competitors were in business -- and continues today with our unique collection of plastic housewares. Vanguard has an impressive history of building quality plastic components and products. Through it all, Vanguard stays focused on innovation and solid, reliable products.

We at Vanguard Plastic Corp. are excited to introduce our newest line of Houseware products – **Del Rey** – a new brand of plastic products designed to embellish your dining room and extend the usage of dinner ware indoor and outdoor. These products are manufactured in the United States by a company that has been a global leader in Injection molding for over 40 years.

After months of engineering and testing, we are certain that the quality of these products is second to none. We are confident that this product will satisfy every customer.

We value your support and hope that you will enjoy our new collection.

Traditionally, a formal dinner party would end with fruit. Often placed on a tall bowl with a pedestal so that the grapes could trail down, traditional fruit displays were works of art. Fruit can also serve as an accessory in your dining room.
